Disclaimer: International Journal of Integrative sciences, Innovation and Technology (IJIT) has been established with an aim of disseminating scientific information via online open access peer reviewed journals. The fee paid on acceptance of manuscript is only to make the author eligible for publishing articles in IJIT and not to be a member of IJIT core team. The fee paid is towards the expenses incurred towards managing the site, operating the site, funding the growth of site, article processing expenses, other miscellaneous expenses that are to be shared by the authors who publish through us. IJIT is a model journal which is maintained by the sharing of operating costs of the journal by the authors and researchers. IJIT provides a platform for researchers to publish their research work at optimal cost incurred in the publishing process.

Note to Authors: A timely submission is not a guarantee that the submitted manuscript will be accepted for forthcoming publication. All submissions are peer-reviewed by the editorial board and a select group of reviewers. Authors are to make sure that all guidelines are followed carefully in the preparation of manuscript. All the accepted articles will be queued for publication and will appear in the futures issues based on the priorities set by the editorial board.
